

The Spa at PGA National February Specials

In honor of Valentine's Day, February specials include one glass of champagne per person to enjoy by the Waters of the World pools before or after your specialty treatment.

Chocolate Strawberry Facial - Give the one you love a bouquet of roses and chocolate covered strawberries – for their skin! Sweet red roses cleanse and soothe the skin, strawberry treatments refine and brighten and chocolate infuses antioxidants and hydration to leave the skin silky, smooth, and plump. You'll leave licking your lips! \$109*/50 minutes

Chocolate Truffle Body Melt - Indulge yourself in decadent chocolate. This body treatment begins with a smoothing scrub of antioxidant rich berries, followed by a deeply hydrating layer of chocolate truffle over the entire body. The skin is left with a massage of champagne-infused body oil. Beautiful skin is the gift that keeps on giving. \$109*/50 minutes

Chocolate Berries Mani Pedi - Imagine your hands and feet soaking in a warm bath of chocolate aromas followed by a mixed berry sugar exfoliating scrub and a chocolate pudding moisturizing masque. The finale, a champagne oil massage softens the skin. \$99*/75 minutes

Champagne Couples Massage - You and your sweetheart can indulge in a luxurious Swedish massage side-by-side using champagne-infused body oil. Afterwards toast to each other with a glass of champagne poolside included with this special.
